INSURANCE FOR LIVING TODAY

YOUR BUSINESS - YOU'VE INVESTED SO MUCH. WE CAN HELP TO PROTECT IT.

There are thousands of business success stories all across Ontario. From small family owned retail outlets to larger operations in every sector of the economy. The Ontario Mutuals know what it's like to run a business in a small community. After all, each one of our 46 members has been part of the business landscape in rural Ontario, some for over 150 years.

In small communities, a business is more than a sign or a storefront. It's a familiar face behind the desk. A friend or neighbour at the counter.

When you insure with an Ontario Mutual, you're placing your trust in a neighbour – a company with both business and family roots in the community, just like you.

GREAT WAYS TO INSURE WITH ONTARIO MUTUALS

Our business insurance program covers a wide range of businesses – from retail and offices to apartment owners, churches, and contractors. In addition to protecting physical assets of your business, we can also provide protection against the potential loss of income. Talk to your insurance salesperson about insuring for:

- Buildings
- Office contents
- Materials, tools and equipment
- Loss of stock or cash
- Crime coverage on contents and cash
- Income Replacement
- Allegations of liability arising out of your business premises, products, or operations.
